

Teacher: Mrs. Fadhila Haddad	Second mid – term test	El May Secondary School
Pupil's name:		Timing : 1 hour Level: 2 nd Year (Sciences info.)

Language : (12 marks

1. fill in the blanks with words from the box below: (4 marks)

energy – difficult – give – sufferings – aggressive – worst – hurt – in – understanding

Psychologists believe that the aggressive desire is permanent in all human beings. But it is probable that, with a correct.....¹ of children, the desire for aggression will not exist anymore. . It's certain that punishing a child for being aggressive will make him later more.....² and anti-social; he will later on revenge himself for his³ by criminality or by acts of cruelty. The desire to⁴ others generally appears in the child who has been given a strong hatred of authority. This problem of cruelty is very⁵ to solve. It requires the parents to know the real interests of their child and guide his.....⁶ to these channels. Exept in the⁷ cases, sympathetic treatment by parents and teachers will gradually suffice to cure, because it will⁸ back self-confidence, self-love, and a belief in life.

2.Circle the right options: (4 marks)

Since its adoption in 1989, after more than 60 years of advocacy, the convention on the rights of the child has been ratified more **(quick / quickly / quicker)**¹ and by more governments “all except Somalia and the US) than any other human rights instrument. Its **(basic / basically /base)**² premise is that children (below the age of 18) are born with fundamental **(freely / free / freedoms)**³ and the inherent rights of all human beings. Many governments **(went / have gone / go)**⁴ even further, enacting legislation, creating mechanisms, and putting into place a range of **(create/ creation / creative)**⁵ measures to ensure the **(protection / protective / protect)**⁶ and realization of children’s rights.**(Besides / However / Therefore)**⁷, the principle of ‘all children, all rights’ is still much too far from being a **(real / really / reality)**⁸.

3. put the bracketed verbs / words in the right tense / form : (4 marks)

High levels of violence in cartoons can make children more (aggression)....., Researchers claimed yesterday. “Results (indicate).....that there are (high)levels of physical aggression in children’s programmes than in other programmes . And they said children copied and (identify)with imaginary characters in cartoons as much as they (will)with screen (act).....” Research on the effects of violent video games , which are all animated , indicates that they have the same effects on children’s (think)....., feelings and behaviours that violent T.V shows have demonstrated . This anti – social behaviour included verbal and physical aggression and (exclude)others from friendship group .
